Continuation of Substance of Interview including description of the general nature of what was discussed: On November 9, 2010, Examiner contacted Mr. Paul Bowen to request that he submit (via fax to the examiner) a courtesy copy of the non-patent literature document in the form of the article by Degarmo et al., which was cited in the IDS of December 16, 2005 and on the search report in the PCT of which the present application is the national stage. Examiner noted that the Degarmo article had not been received by the U.S.P.T.O. from the IB. On November 10, 2010, Applicant's representative faxed the Examiner a courtesy copy of the Degarmo reference. .
